CENTRAL INTELLIGENCE AGENCY

5 April 1956

MEMORANDUM FOR: THE INTELLIGENCE ADVISORY COMMITTEE

SUBJECT: Revised Annex D to NIE 11-56: Soviet Gross Capabilities for Attack on the US and Key Overseas Installations and Forces Through Mid-1959

1. At the time NIE 11-56 was prepared it was understood that the figures in Annex D (Restricted Data), which were based on last year's JAEIC estimate, would be revised as soon as JAEIC had reviewed its estimate of Soviet fissionable materials production. This revised annex is urgently required by the NSC Net Evaluation Subcommittee Staff.

2. All JAEIC members except the O/NI member have now agreed on a new estimate of Soviet production and JAEIC has approved a revision of Annex D, which is in the hands of your JAEIC representatives. Please note the O/NI dissent.

3. We propose to put the revised Annex D on the IAC agenda for Tuesday, 17 April.
